

MGSW PARADE EXPECTATIONS

Attention ALL Parade Entrants & Participants:

It is the expectation from MGSW that all Parade Entrants and Participants will uphold all parade rules and regulations by acting in a fashion that promotes the Mardi Gras spirit and family values with dignity and integrity. This expectation includes engaging with the crowd in a friendly and wholesome fashion for the duration of the parade route. The parade route covers more than a 3-mile stretch (estimated 4-hour length), and parade participants are expected to provide enough throws to cover this span. Please keep in mind that Mardi Gras in the city of Lake Charles is a family friendly and family oriented event and we want everyone to feel welcome.
